## Utah issues revised 2023 income tax withholding guide reflecting lower personal income tax rate

The Utah State Tax Commission has updated [Publication 14](#), *Withholding Tax Guide* to reflect a reduction in the income tax withholding rate from 4.85% to 4.65%. The revised withholding rate is effective for wages paid on and after June 1, 2023.

As previously reported (see *EY Tax Alert* [2023-0766](#)), on March 22, 2023, Utah Governor Spencer J. Cox signed into law [H.B. 54](#), which, retroactive to January 1, 2023, lowered the state's personal income tax rate from 4.85% to 4.65%. This is the second consecutive year that Utah has retroactively lowered the personal income tax rate.
