New visa-free policy for eligible Panamanian nationals

Executive summary

In April 2024, Japan implemented a visa-free policy for eligible Panamanian nationals.

Key developments

Effective 1 April 2024, Panamanian nationals who hold ePassports that are in compliance with International Civil Aviation Organization (ICAO) [standards](#) can enter Japan without a visa and stay for up to 90 days per visit. Those who do not hold such ePassports must still apply for and obtain a visa prior to entering Japan.

Impact on employers

The visa-free policy is expected to benefit employers that send impacted individuals to Japan for business purposes by reducing the time and expenses associated with admission.
